[REDACTED]  
This letter is to inform you that Mr. Charles Flowerree, who represented George Vest at the 2 July NSCIC Working Group meeting, will henceforth be regularly attending Working Group meetings in my place. Mr. Flowerree is to be named Director of this office in mid-October following my departure for London, and it seems sensible to have him take over NSCIC responsibilities immediately. In the event that Mr. Flowerree is unavailable between now and mid-October, I will stand in for him, but he should be carried on your records as the addressee of all NSCIC material.

Sincerely,

A handwritten signature in dark ink, appearing to read "Leslie H. Brown", written over a horizontal line.

Leslie H. Brown  
Director, Office of  
International Security Policy  
Bureau of Politico-Military Affairs
